Request:

I would like to request the supply teaching spend report across all Special Schools in North Tyneside over the period between 4th September till December 22nd.

Could you please include full amounts spent on temp/supply staffing by each individual school/provision and how much was with each supplier/agency.

Response:

North Tyneside Schools have their own bank accounts so therefore pay their own invoices. We don't hold this information as only the individual schools would hold this information.
