**Request:**

Please can you tell me which building control organisation signed off on any new tower blocks or major refurbishments of tower blocks in your area (18m and above) i.e. NHBC, in-house council building control officers etc, over the last 20 years. This includes privately owned blocks.

Please provide a list of blocks, the organisation that signed it off and the date.

If the building control sign-off was for a major refurbishment please provide a summary of what work was carried out.

**Response:**

No information held. The Borough of North Tyneside is composed primarily of low level construction below 18m.

The information supplied to you is owned by the council unless otherwise stated and may be protected by copyright.
