

North Tyneside Council

Reference: RFI 1802073

Request:

I am making this request under the freedom of information act 2000

Please tell me the following - for the calendar years 15/16 and 16/17

1. How many parking tickets were issued in the North Tyneside area for breaching local authority imposed parking permit controls
2. In relation to question 1 - please provide the streets in which they were issued (location of the parking permit control) and the day, date and time of issue.

Response:

The only way to provide the data would be to run an individual report of contraventions by each street that is included in the various permit schemes and then determine which contravention issued relates to a permit contravention. Due to the number of streets involved in the permit schemes this request is refused under s12 (1) Freedom of Information Act 2000, since the cost of complying would exceed the appropriate limit set out in the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004.

In assessing the cost of complying, the costs attributable to officer time involved in complying have been taken into account. Such costs are limited to £450.00 under the Regulations, which equates to eighteen hours of officer time.
