Request:

Under the Freedom of Information Act 2000, please can you tell me:

What the budget for maintaining war memorials was in each year since 2009-2010 to the present day.

Response:

There is no allocated budget specific to war memorials. All works to war memorials are maintained and repaired as required through a combination of day to day repairs and planned maintenance works. The Council has however invested £493,618.68 between 2013 and 2015 in refurbishing a number of War Memorials across the borough.
