

Request:

- 1. How many Fixed Penalty Notices did your local authority serve to dog owners for breached PSPOs on beaches in your authority area over the following timeframes?**

NB. Prior to 2017 these would be classified as Dog Control Orders (DCOs).

- 2016 - 0
- 2017 - 0
- 2018 (year to date) – 0
-

Prior to October 2017 the legislation relating specifically to beaches were local byelaws and therefore breaches could not be dealt with by way of a Fixed Penalty Notice.

- 2. What was the total value (£) of Fixed Penalty Notices served to dog owners for breached PSPOs on beaches in your authority area?**

- 2016 - £0
- 2017 - £0
- 2018 (year to date) - £0

- 3. How many Public Space Protection Orders (PSPOs) specifically relating to dogs were in place for beach areas in your local authority for the following timeframes?**

NB. Prior to 2017 these would be classified as Dog Control Orders (DCOs).

- 2016 - 0
- 2017 - 0
- 2018 (year to date) – 0

PSPO's relating specifically to beaches are seasonal and are in force May 1st to September 30th on an annual basis, the recent adoption of PSPO's did not take place until 20th October 2017.
