

North Tyneside Council

Reference: RFI 1804037

**Request:**

I would like to know the number of Notice to Owner (NtO) letters that have been sent by the Council parking department (after a Penalty Charge Notice (PCN) has not been paid) more than 6 months after the PCN was issued, as prescribed by the Civil Enforcement of Parking Contraventions (England) General Regulations 2007 (section 20, paragraph 1, and paragraph 2 subsection (d)), since the Act came into force in 2007. There has been at least 1 sent in 2018.

**Response:**

The software system utilised by North Tyneside Council does not provide the information requested.

If motorists feel that there has been a procedural impropriety on behalf of the Council, then they can appeal the penalty charge notice in accordance with the statutory guidelines.
