

North Tyneside Council

Reference: RFI 1804071

Request:

Can you provide me with the details of your total headcount in 2010 compared to your headcount in April 2018.

Response

The Council introduced a new Business Management System in 2010, unfortunately reports from the new system were not built and available until late 2012, therefore the earliest date I can provide is March 2013:

March 2013 3217 permanent headcount

March 2018 2747 permanent headcount

These figures exclude schools.
