Request:

Confirmation of Checks to Buddle Street in Wallsend

You stated to me in writing that the condition of the road, namely Buddle Street in Wallsend was inspected for potholes on 2nd March 2018 and subsequently on the 16th March 2018. You suggested one of the reports stated the condition of the road was of an acceptable condition and the other suggested there were issues in which needed to be addressed respectively.

You also stated remedial action was taken to rectify the issues as highlighted in the second report, therefore you should have a third confirming this work was to an acceptable standard and no longer an outstanding issue.

I hereby request copies of the relevant sections in all 3 reports stating the above information therein.

Response:
