Request:

I would like to know what North Tyneside Council's annual expenditure on residential parenting assessments was in each of the last 10 years. I.E. in 2017,16,15,14,13,12,11,10,09,08,07.

I would also like to request the number of individual parental assessments commissioned by North Tyneside Council in each of the last 10 years.

May I lastly request the names of the residential parenting assessment providers you use most often.

Response:

This information is not readily available and would require a manual check of ten year's worth of records.

Therefore this request is refused under s12 (1) Freedom of Information Act 2000, since the cost of complying would exceed the appropriate limit set out in the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004.

In assessing the cost of complying, the costs attributable to officer time involved in complying have been taken into account. Such costs are limited to £450.00 under the Regulations, which equates to eighteen hours of officer time.

We can say that over the past year it is less than 5 assessments.
