

Reference: RFI 1805031

**Request:**

I would like to submit a Freedom of Information request in relation to the PF2 contracts for the schools in the spreadsheet in your area.

Can I ask what the costs to the council have been so far for each school?

What is the estimated annual costs to the council of these contracts?

Who are the contracts with and what are the companies contracted to deliver?

Also see attached spreadsheet

**Response:**

The only school on this list in the borough of North Tyneside is Longbenton High School.

However this information is held by the school and not the Authority.

The school's email address is: [lhs@lblearning.com](mailto:lhs@lblearning.com)
