

Reference: RFI 1808081

I'm interested in gaining a better understanding of how your Highways & Transport team(s) is/are structured - could you please provide me with a current organisation chart for this division, including the names of the individuals within each post?

**Response:**

Engineering services are delivered by Capita on behalf of North Tyneside Council through the Technical Services Partnership. Capita is not subject to the requirements of the Freedom of Information Act.

However by way of assistance we can advise the following:

Services are managed by a Head of Construction who oversees several teams including Asset Management, Network Management, Highways Maintenance and Major Projects.

Asset Management

- Highway Asset Management Plan
- Highway Safety Inspections
- Surface Water Management
- Public Rights of Way
- Structures
- Highway Design
- Claims

Network Management

- Road Safety Management
- Road Safety Education
- Traffic
- Development Control
- Streetworks
- Road Closures
- Road Signage and Traffic Signals

Highway Maintenance

- Reactive Maintenance
- Planned Maintenance
- Gully Cleansing
- Surfacing
- Parking Bays
- Lines and Signs Installation
- LTP Scheme Delivery
- Emergency Response

Major Projects

- Project Management
- Early Contract Involvement
