**Request:**

Please can I request the following information under the Freedom of Information Act:

- 1) The number of disabled parking spaces available in your council area

**Details of the number of designated disabled parking spaces in each public car park managed by North Tyneside Council are provided in the car park information published on the Council website at <https://my.northtyneside.gov.uk/category/704/street-car-parks>**

**The Council do not maintain a record of the number of disabled parking spaces available in on-street locations across the Borough. The traffic regulation order associated with mandatory designated disabled parking bays describes the restriction by length of kerbside space and does not indicate the number of bays that each restriction corresponds to. Descriptions of the locations of these restrictions are provided in the attachment.**

- 2) The **number of fines** issued to drivers for parking in a disabled parking space without displaying a valid blue badge, broken down by month for the years 2016, 2017 and 2018 to date.
