**Request:**

Can you let me know how many house rubbish bins you have failed to deliver on time in the last 12 months , how many if any were delivered on time and the cost of this operation (delivering house hold bins )

**Response:**

There were 8101 bin requests and 2355 were not delivered within our timescale of 10 working days. 71% were delivered within time. There had been some slippage in delivery periods due to replenishing stock levels and delivery times.

Annual Spend on purchasing/delivering household waste bins across North Tyneside in 2017/18 was £89,426.
