

Reference: EIR2403

Request:

1. How many farms you own and the total number of acres.

Clarified by applicant "agricultural land without buildings included."

The Authority owns 1 farm and 8 plots of land that are leased out to be used for agricultural purposes, the combined area of which equates to 323.88 acres

2. The net income or net cost to your local authority of these farms for the financial year 2018/19.

The net income for the plots for the 18/19 financial year was £2931.00. there is no net cost to the Authority

3. Have you sold any farms in the last five years? If so how many, what was the total number of acres and what was the total revenue obtained as proceeds from the sales.

The Authority has not sold any farms or areas of agricultural land in the last 5 years

4. How many new housing units have built on farms that you own over the last five years? How many housing units have been granted planning permission

None.
