Request:

In accordance with the Freedom of Information Act, I would be grateful if you could comply with the following request. Could you provide the following information: I would like to know the total number of potholes reported and received by your Local Authority.

1st April 2020 to 31st March 2021 - total number of enquiries received regarding defects in the road = 461.

1st April 2021 to 14th February 2022 - total number of enquiries received regarding defects in the road = 176.

I would also like to know the number of potholes that have been repaired by your Local Authority.

1st April 2020 to 31st March 2021 - total number of potholes repaired = 7612.

1st April 2021 to 14th February 2022 - total number of potholes repaired = 6331.

Can you also inform me on the number of potholes that are outstanding repairs in your Local Authority area.

Out of all the potholes reported to highways that required repairs non are outstanding.

I would like this information for the last 24 months, by month.

Please see the attached Excel spreadsheets which contain all the above information.

I would like this data to be presented in an Excel or PDF spreadsheet with a new sheet for each year and a section on each point of information. The data can be presented as follows: Month/Year | number of reported potholes | number of potholes repaired | number of potholes remaining by % | total outstanding pothole repairs

Please see the attached Excel spreadsheets which contain all the above information.
