**Request:**

Please would it be possible for you to send me a list of the names, addresses and licence numbers of animal boarding establishments (kennels and catteries) who hold licences issued in your area. Where you are providing additional information for more than one area (due to shared services) please advise which area(s) you are providing information for.

Where you hold additional information such as website address, email address or telephone please also provide this to me.

I would be grateful if you could indicate the expiry date and year for each licence, and if you could differentiate between commercial boarders and home boarders that would be very helpful.
