

Reference: FOI1420

**Request:**

- 1. How many road vehicles (vans/minibuses/HGVs/cars/motorbikes) does your local authority currently use either directly or via your contractors?**

370

- 2. What proportion of these are currently**

- a) zero emissions**

0

- b) low emissions**

75.95 % (ULEZ standard)

- c) diesel**

24.05 % pre Euro VI diesel"

- 2. What proportion of these vehicles are planned to be a) zero emissions by 2030 b) low emissions (ULEZ standard) by 2030?**

The Council's fleet replacement plan does include zero emission vehicles, however, the technology is not there yet for larger commercial vehicles. Therefore, an estimate of 40% of zero emissions and 60% low emissions vehicles.

- 3. Have you signed up to Clean Van Commitment (zero emissions vans by 2028)**

No

- 4. Are you involved in any Innovate UK vehicle trials?"**

No

- 5. Have you signed the Clean Bus commitment?**

No

- 6. How many school streets (exclusions zones for cars around schools) are there in your local authority currently - both as a total figure and a percentage of the overall schools, broken down by primary and secondary?**

The information supplied to you is owned by the council unless otherwise stated and may be protected by copyright. You are free to use it for your own purposes, including any non-commercial research or for the purposes of news reporting. Any other re-use of a commercial nature will require the permission of the Council. Further enquiries in this respect should be directed to Head of Law and Governance, North Tyneside Council, Quadrant The Silver Link North, Cobalt Business Park, North Tyneside, NE27 0BY

North Tyneside Council

Reference: FOI1420

None

- 7. How many school streets are there likely to be by 2022 in your local authority both as a total figure and a percentage of the overall schools, broken down by primary and secondary?**

Work is underway to establish deliverability of school streets across all Primary Schools (60)

- 8. What is preventing you from establishing more school streets (resources / skill set / finances / local opposition)?**

Information not held.

- 9. What estimate have you made of the financial resources needed to implement school streets?**

Trial cost per school was circa £12k. If delivered at scale utilising school staff to resource and operate the estimate is circa £425k.
