**Request:**

1) Please let me know how many homeless reconnection referrals have been made to your local authority in the last 3 years (2016, 2017, 2018). Of those, please detail how many were accepted, how many were rejected and which LA made the referral. Break down the data by UK nationals and non-UK national referrals, if possible. Let us know how many were referred to other authorities over modern slavery concerns.

2) Please let me know how many homeless people have been given transport to leave the local authority under your "reconnection policy" in the 18 months (2018 and the first 6 months of 2019). Please provide data in an annualised format.
