

Reference: FOI1502

Request:

This request is in 2 parts. We ask that you answer all of the questions in the first section whether or not you have any licences issued under the Dangerous Wild Animals (DWAAA) Act. If there are any current DWAAA licences for primates in your area, please also complete all of the questions in the second section.

As of 25th February 2019:

PART 1

1) How many DWAA licences are currently issued in your area?

1

2) How many of these DWAA licences are issued for primates (monkeys, apes or prosimians such as lemurs)?

nil

3) How many applications for licences to keep primates under the DWAA Act have been refused in your area in the last 12 months?

nil

On what grounds were they refused?

n/a

4) What is the cost of obtaining a DWAA licence in your area (please indicate whether this includes any veterinary fees incurred)?

£87 plus vets fees

5) What is the cost of "renewing" a DWAA licence in your area (please indicate whether this includes any veterinary fees incurred)?

£87 plus vets fees

6) Are you aware of any breeders or dealers of primates in your area?

no

If yes how many? And are they licensed under the Pet Animals Act?

The information supplied to you is owned by the council unless otherwise stated and may be protected by copyright. You are free to use it for your own purposes, including any non-commercial research or for the purposes of news reporting. Any other re-use of a commercial nature will require the permission of the Council. Further enquiries in this respect should be directed to Head of Law and Governance, North Tyneside Council, Quadrant The Silver Link North, Cobalt Business Park, North Tyneside, NE27 0BY

Reference: FOI1502

n/a

7) If a member of the public is aware of a breach of the Animal Welfare Act with regards to a primate, who do they contact in your area?

Environmental Health Team

8) In order to be granted DWAA licences for primates, must applicants demonstrate that they meet the conditions laid out in the Code of Practice for the Welfare of Privately Kept Non-human Primates?

Yes

9) If a DWAA licence is not renewed, do you contact previous licence holders to establish why it has not been renewed?

Yes

10) Would you investigate what has happened to primates that were licensed in your area but are no longer licensed?

We would request details from the previous licensee

PART 2

10) If there are primates licensed in your area, *please provide copies of all licences, and the most recent relevant veterinary and inspection report(s) for each licence* (on the understanding that for data protection purposes, certain information may be obscured). *If no written reports are available, please indicate the date on which the most recent report was conducted, by whom, and the outcome of the visit.* If not included in the report(s), please also provide the following information:

For each licence issued for primates:

- a) How many individuals of each species are covered (please provide the scientific name: i.e. *Cebus apella*)?

n/a

- a) What is the age and sex of each licensed primate? If this information is not kept by your council, please indicate so.

n/a

Reference: FOI1502

- b) Where was each primate obtained? If this information is not kept by your council, please indicate so.

n/a

- c) Are these primates considered to be pets? If not, how are they classified?

n/a

- d) Please confirm whether any restriction is placed on the breeding of the licensed animals. If no restriction exists, please indicate whether the existing licence would automatically cover the offspring, and until what age this cover would last.

n/a

- e) Has a licence been issued to the licence holder previously?

n/a

- f) If so, what was the last year a licence was issued, and what primates were licenced?

n/a

11) Would you or someone in your department, be willing to share any further information about DWAAA licensing?

Yes

And who can we contact for such information?

Martin McGowan, Environmental Health Team
