

North Tyneside Council

Reference: FOI1622

**Request:**

Please tell me the costs of the "Refurbishment Study Inc. Surveys and Testing 2014-2015", both the studies/reports and work inputting into them, produced for North Tyneside by Capita.

Also, if different or additional, please tell me the costs of work and/or "several studies" described in the "Footbridge Existing Condition (2019) - Response to Historic England Attachments March 2019 (Reference BRB-CAP-GEN-BR-RP-Z-0008)", section 4.2 on page 8 as: "In-between 2014 and 2015 the Local Authority conducted several studies into the feasibility of refurbishing the footbridge" [my emphasis].

(I already have the costs of the 2016 and 2018 Capita Studies).

**Response:**

This information is not held by the Authority. NTC have outsourced Engineering Services to Capita to carry out his work. As such the Authority holds the costs of the larger commission only. Any breakdown of costs would be held by Capita only which is not subject to requirements of the Act.
