

North Tyneside Council

Reference: RFI 1705013

Request:

I would like to know if the Council have approached any private childcare providers in the last 2 years asking them to provide extra childcare services in North Tyneside.

No

I would like to know the dates any contact was made and the wards that the new childcare would be provided.

N/A

In addition where possible I would like to know of any incentives, such as tax relief or refurbishment costs, that have been offered by the Council to new or potential childcare providers in North Tyneside.

None

Ideally I would like full information such as the provider name and location and the incentives offered though I realise you may not provide this. If this is not possible I would still like to know the incentives offered by the Council preferably with at least the ward that the provider is / would be in and if possible the provider type (nursery, childminder etc). At the very least I would like a yes/no answer to whether the council have offered incentives to new/potential childcare providers in the last two years.
