The four licensing objectives, as set out in the Licensing Act 2003, are:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm.

Each application that comes before this Committee will be treated on its own merits, and this Licensing Authority will take its decision based upon:

- The merits of the application
- The promotion of the four licensing objectives
- The Statement of Licensing Policy of North Tyneside Council
- The guidance issued under Section 182 of the Licensing Act 2003.

#### **The Procedure of the Committee is as follows:**

1. The Chair of the Committee will open the hearing and will ask all persons present at the hearing to identify themselves. The Chair will then explain the procedure to be followed at the hearing.
2. The Committee will then consider any request made by a party under regulation 8(2) of the Licensing Act 2003 (Hearings) Regulations 2005 for permission for a person to attend as a witness on his/her behalf.
3. The Licensing Officer will present a report to the Committee outlining the application, any relevant representations and the relevant sections of the Council's Statement of Licensing Policy and the statutory guidance.
4. The Committee may ask any relevant questions they have of the Licensing Officer.
5. The Applicant or their representative will then be invited to address the Committee to clarify any information arising from the officer's report, if necessary.
6. Each of the Responsible Authorities which have made representations will be invited to address the Committee about the application, to indicate why they consider the issues they have raised to be relevant to the licensing objectives and sufficient to object to the application or notice (as applicable).

7. The Committee may ask any relevant questions they have of the Responsible Authorities.
8. Other Persons may ask any relevant questions they have of the Responsible Authorities.
9. The Applicant or their representative may ask any relevant questions they have of the Responsible Authorities.
10. Each of the Other Persons who have made representations will be invited to address the Committee about the application, indicating why they consider the issues they have raised to be relevant to the licensing objectives and sufficient to object to the application or notice (as applicable).

If any Other Person has obtained prior permission to call a particular witness, then they may call that witness.

Note: In order to avoid repetition and to expedite proceedings at the hearing, objectors within the same group of Other Persons are encouraged to appoint an agreed spokesperson to address the Committee.

12. The Responsible Authorities may ask any relevant questions they have of the Other Persons or their witness(es).
13. The Applicant or their representative may ask any relevant questions of the Other Persons or their witness(es).
14. The Applicant or their representative will be invited to address the Committee, as to why they consider the issues raised by the Responsible Authorities and Other Persons to be irrelevant to the licensing objectives and why they consider the Committee should grant their application or notice (as applicable).

If the Applicant has obtained prior permission to call a particular witness, then they may call that witness.

15. The Committee may ask any relevant questions they have of the Applicant, their representative or their witness(es).
16. The Responsible Authorities may ask any relevant questions they have of the Applicant, their representatives or their witness(es).

21. The Chair will ask all parties if they are satisfied that they have said all they wish to.
22. The Committee will retire in private to consider the application and make its determination. The Legal Adviser will be present to ensure that all matters of law, evidence and procedure are adhered to appropriately but will not take part in the decision.
23. In considering any representations or a notice made by any party, the Committee may take into account documentary or other information produced by a party in support of their application, representations or notice (as the case may be) either before the hearing or, with the consent of all the other parties, at the hearing.
24. The Committee shall disregard any information given by a party or by any person to whom permission to appear at the hearing is given by the Committee, which is not relevant to:
  - (i) their application, representations or a notice (as the case may be) or, in the case of another person, the application, representations or notice of the party requesting their attendance; and
  - (ii) the promotion of the licensing objectives or, in relation to a hearing to consider a notice given by a chief officer of police, the prevention of crime and disorder licensing objective.

**NB** Parties are reminded that any documentary or other information or evidence they wish to produce in support of their application or representation must have been disclosed to all parties prior to the hearing taking place. **Late representations, documents or evidence will only be considered with the agreement of all parties present.**

25. The Committee will return to announce its decision. A written notice of the decision will be provided to all parties in accordance with statutory requirements. The decision letter will include the reasons for the decision, and any conditions placed upon the licence (if granted) and the licensing objective(s) they relate to. The notification of decision will include information on a party's right to appeal against the Committee's decision.

## **General Matters**

### **1. Expectations on parties**

The Licensing Authority expects all parties to a hearing to endeavour to address any issues openly and to work towards an amicable resolution, if at all possible, prior to the hearing taking place.

All parties will be expected to:

- (i) demonstrate which of the four licensing objectives are addressed in relation to each of the issues they wish to raise at the hearing; and
- (ii) draw to the Committee's attention any relevant aspects of the National Guidance or local Statement of Licensing Policy which they also consider are particularly relevant to the Committee's consideration of the issues the party(ies) has/have raised.

### **2. Agreement that a hearing is unnecessary**

A Licensing Authority can dispense with holding a hearing if all persons concerned (applicants and parties raising a representation) give notice to the Licensing Authority prior to the hearing date that they consider it unnecessary.

Where all such persons have given such notice, and the Licensing Authority agrees that a hearing is unnecessary, the Licensing Authority will give notice to the parties that the hearing has been dispensed with.

### **3. Failure of parties to attend**

The hearing may proceed in the absence of any party who has informed the Licensing Authority that they do not intend to attend or be represented at the hearing.

If a party fails to attend or be represented at a hearing without notifying the Licensing Authority, the Committee may adjourn the hearing to a specific date if it considers it to be in the public interest to do so, or alternatively may proceed with the hearing in the party's absence. In the interests of the other parties, costs and efficiency, hearings will generally proceed notwithstanding the absence of any party (including the Applicant).

Where it is decided to proceed in a party's absence, all notices and representations received from the absent party will be considered by the Committee.

If, in exceptional circumstances, a decision is made to adjourn a hearing all parties will be advised of the date, time and venue to which the hearing has been adjourned.

### **4. Questioning of parties**

The Licensing Authority will generally allow all parties to ask questions of another party present, but this decision will be taken on a case by case basis and in some exceptional circumstances (a reason will be given) cross examination may be prohibited.

5. **Further clarification**

When addressing the Committee each party shall respond specifically to any points of which it received notice (with the Notice of Hearing) upon which the Committee was seeking clarification.

6. **Questioning by Legal Adviser**

The legal adviser to the Committee may ask questions on behalf of, or in addition to, the Committee members themselves.

7. **Hearsay evidence**

Hearsay evidence will be admissible provided that it is relevant. The weight to be attributed to hearsay evidence will be a matter for the Committee.

8. **Persons behaving in a disruptive manner**

The Committee has the right to exclude any person disrupting the hearing, at their discretion. The Committee can refuse to allow that person to return or, alternatively, may permit him/her to return on such conditions as the Committee may decide. Any person required to leave the hearing may, before the end of the hearing, submit to the Committee in writing any information which they would have been entitled to give orally had they not been required to leave.

9. **No decision-making by Ward Members**

A member of the Licensing Committee shall not be entitled to participate in any decision-making in relation to any licensing application concerning premises in the Ward for which he/she serves as Councillor.

- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

**Documents which demonstrate entitlement to work in the UK**

- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

*Continued from previous page...*

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

**Re Premises Licence at proposed Bistro/Cafe -1 Trevor Terrace, North Shields, NE30 2DG**

By chance I have discovered that this former insurance broker property has applied for change of use to become a bistro/cafe.

Following my conversation with the planning department I am told that the request for change of use does not have to be consulted on as it is permitted development under national planning guidance and the Council has no power over it.

However I was then dismayed to read on the application that they are applying for an alcohol sales licence from 11am to 11pm.

I had assumed we would have had notice of this but it was confirmed that the applicant only has to put a notice in their window and a public notice in the local press (which I have not seen in the News Guardian and I usually read these). I have only discovered this application today when looking on-line at the planning applications.

I recognise that I can only object under the four licensing objectives: a) prevention of crime and disorder, b) public safety, c) prevention of public nuisance and d) protection of children from harm.

In relation to:

a) b) and c) This area has had a number of reported incidents over the years including public disorder, drunk drivers and late night nuisance (not to mention an armed hold-up at the One Stop Shop). If this licence was approved that would mean there were four alcohol outlets **within 200 metres of each other**.

There is the Gunner Pub, the Cherry Wine shop, One Stop shop all selling alcohol over long periods of time and this one would make four. This is not acceptable. As a main thoroughfare into the town centre we also suffer from late night noise from pub customers so this would only add to the problem.

d) This property is on a direct daily walking route for pupils of John Spence Academy so I would like to know what security would be in place to prevent any excess consumption of alcohol by customers during the day which may impinge on passers-by?

One issue which does not appear to be considered either by the Council or the applicant is the total lack of car parking which I would suggest comes under b).

The property is surrounded by double yellow lines, a bus stop and four sets of traffic signals on the crossroads. The roads surrounding the premises are also already very congested (particularly Trevor Terrace and Queen Alexandra Road).

This will inevitably mean yet again myself and my neighbour will be disadvantaged by cars parking very close to our drives across the road from the premises - we already have daily issues trying to exit our properties onto the busy main road - I think this should be considered under b) public safety.

I personally have had many near misses next to the mini-roundabout due to poor visibility relating to parked cars. This has normally been worse during the day but if this bistro is staying open until 11pm then this will also happen during the evening.

At a time when public health issues due to alcohol abuse are on the Council's radar can I suggest giving permission to yet another premises selling alcohol in this already saturated area would be excessive.

I ask that the Licensing Committee takes all of this into account and refuses this application.

Thank you.
