LICENSING ACT 2003

NORTH TYNESIDE COUNCIL

PROCEDURE FOR HEARING OF AN APPLICATION BEFORE THE LICENSING SUB-COMMITTEE (“the Committee”)

The four licensing objectives, as set out in the Licensing Act 2003, are:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm.

Each application that comes before this Committee will be treated on its own merits, and this Licensing Authority will take its decision based upon:

- The merits of the application
- The promotion of the four licensing objectives
- The Statement of Licensing Policy of North Tyneside Council
- The guidance issued under Section 182 of the Licensing Act 2003.

The Procedure of the Committee is as follows:

1. The Chair of the Committee will open the hearing and will ask all persons present at the hearing to identify themselves. The Chair will then explain the procedure to be followed at the hearing.
2. The Committee will then consider any request made by a party under regulation 8(2) of the Licensing Act 2003 (Hearings) Regulations 2005 for permission for a person to attend as a witness on his/her behalf.
3. The Licensing Officer will present a report to the Committee outlining the application, any relevant representations and the relevant sections of the Council’s Statement of Licensing Policy and the statutory guidance.
4. The Committee may ask any relevant questions they have of the Licensing Officer.
5. The Applicant or their representative will then be invited to address the Committee to clarify any information arising from the officer’s report, if necessary.
6. Each of the Responsible Authorities which have made representations will be invited to address the Committee about the application, to indicate why they consider the issues they have raised to be relevant to the licensing objectives and sufficient to object to the application or notice (as applicable).

If a Responsible Authority has obtained prior permission to call a particular witness, then they may call that witness.

7. The Committee may ask any relevant questions they have of the Responsible Authorities.
8. Other Persons may ask any relevant questions they have of the Responsible Authorities.
9. The Applicant or their representative may ask any relevant questions they have of the Responsible Authorities.
10. Each of the Other Persons who have made representations will be invited to address the Committee about the application, indicating why they consider the issues they have raised to be relevant to the licensing objectives and sufficient to object to the application or notice (as applicable).

If any Other Person has obtained prior permission to call a particular witness, then they may call that witness.

Note: In order to avoid repetition and to expedite proceedings at the hearing, objectors within the same group of Other Persons are encouraged to appoint an agreed spokesperson to address the Committee.

11. The Committee may ask any relevant questions they have of the Other Persons or their witness(es).
12. The Responsible Authorities may ask any relevant questions they have of the Other Persons or their witness(es).
13. The Applicant or their representative may ask any relevant questions of the Other Persons or their witness(es).
14. The Applicant or their representative will be invited to address the Committee, as to why they consider the issues raised by the Responsible Authorities and Other Persons to be irrelevant to the licensing objectives and why they consider the Committee should grant their application or notice (as applicable).

If the Applicant has obtained prior permission to call a particular witness, then they may call that witness.

15. The Committee may ask any relevant questions they have of the Applicant, their representative or their witness(es).
16. The Responsible Authorities may ask any relevant questions they have of the Applicant, their representatives or their witness(es).
17. Any of the Other Persons may ask any relevant questions they have of the Applicant, their representative or their witness(es).

20. The Chair will invite the Applicant or their representative to make a brief closing statement. Each Applicant should ideally take no longer than 10 minutes to make their closing statements.
21. The Chair will ask all parties if they are satisfied that they have said all they wish to.
22. The Committee will retire in private to consider the application and make its determination. The Legal Adviser will be present to ensure that all matters of law, evidence and procedure are adhered to appropriately but will not take part in the decision.
23. In considering any representations or a notice made by any party, the Committee may take into account documentary or other information produced by a party in support of their application, representations or notice (as the case may be) either before the hearing or, with the consent of all the other parties, at the hearing.
24. The Committee shall disregard any information given by a party or by any person to whom permission to appear at the hearing is given by the Committee, which is not relevant to:
 - (i) their application, representations or a notice (as the case may be) or, in the case of another person, the application, representations or notice of the party requesting their attendance; and
 - (ii) the promotion of the licensing objectives or, in relation to a hearing to consider a notice given by a chief officer of police, the prevention of crime and disorder licensing objective.

NB Parties are reminded that any documentary or other information or evidence they wish to produce in support of their application or representation must have been disclosed to all parties prior to the hearing taking place. **Late representations, documents or evidence will only be considered with the agreement of all parties present.**

25. The Committee will return to announce its decision. A written notice of the decision will be provided to all parties in accordance with statutory requirements. The decision letter will include the reasons for the decision, and any conditions placed upon the licence (if granted) and the licensing objective(s) they relate to. The notification of decision will include information on a party's right to appeal against the Committee's decision.

General Matters

1. Expectations on parties

The Licensing Authority expects all parties to a hearing to endeavour to address any issues openly and to work towards an amicable resolution, if at all possible, prior to the hearing taking place.

All parties will be expected to:

- (i) demonstrate which of the four licensing objectives are addressed in relation to each of the issues they wish to raise at the hearing; and
- (ii) draw to the Committee's attention any relevant aspects of the National Guidance or local Statement of Licensing Policy which they also consider are particularly relevant to the Committee's consideration of the issues the party(ies) has/have raised.

2. Agreement that a hearing is unnecessary

A Licensing Authority can dispense with holding a hearing if all persons concerned (applicants and parties raising a representation) give notice to the Licensing Authority prior to the hearing date that they consider it unnecessary.

Where all such persons have given such notice, and the Licensing Authority agrees that a hearing is unnecessary, the Licensing Authority will give notice to the parties that the hearing has been dispensed with.

3. Failure of parties to attend

The hearing may proceed in the absence of any party who has informed the Licensing Authority that they do not intend to attend or be represented at the hearing.

If a party fails to attend or be represented at a hearing without notifying the Licensing Authority, the Committee may adjourn the hearing to a specific date if it considers it to be in the public interest to do so, or alternatively may proceed with the hearing in the party's absence. In the interests of the other parties, costs and efficiency, hearings will generally proceed notwithstanding the absence of any party (including the Applicant).

Where it is decided to proceed in a party's absence, all notices and representations received from the absent party will be considered by the Committee.

If, in exceptional circumstances, a decision is made to adjourn a hearing all parties will be advised of the date, time and venue to which the hearing has been adjourned.

4. Questioning of parties

The Licensing Authority will generally allow all parties to ask questions of another party present, but this decision will be taken on a case by case basis and in some exceptional circumstances (a reason will be given) cross examination may be prohibited.

5. **Further clarification**
When addressing the Committee each party shall respond specifically to any points of which it received notice (with the Notice of Hearing) upon which the Committee was seeking clarification.
6. **Questioning by Legal Adviser**
The legal adviser to the Committee may ask questions on behalf of, or in addition to, the Committee members themselves.
7. **Hearsay evidence**
Hearsay evidence will be admissible provided that it is relevant. The weight to be attributed to hearsay evidence will be a matter for the Committee.
8. **Persons behaving in a disruptive manner**
The Committee has the right to exclude any person disrupting the hearing, at their discretion. The Committee can refuse to allow that person to return or, alternatively, may permit him/her to return on such conditions as the Committee may decide. Any person required to leave the hearing may, before the end of the hearing, submit to the Committee in writing any information which they would have been entitled to give orally had they not been required to leave.
9. **No decision-making by Ward Members**
A member of the Licensing Committee shall not be entitled to participate in any decision-making in relation to any licensing application concerning premises in the Ward for which he/she serves as Councillor.

Capello Hair Salon – Premises Licence

Dear Sir/Madam

I am a keen supporter of local businesses so it is with regret that I am submitting an objection to a local business seeking to increase their profits.

Unfortunately, I do not believe that the sale of alcohol is appropriate in this case as it increases the risk of noise, particularly late at night, in the heart of a residential area.

The mitigation measure of a sign that asks drinkers to leave quietly does not eliminate that noise risk. And assuming that much of the alcohol consumed will be from bottles, I am concerned about the noise caused when large numbers of bottles are being disposed of by staff in a recycling container. Moreover, there is no detail contained within the application as to when and how alcohol deliveries will take place.

The examples specifically quoted in the application of other establishments have very different circumstances to Capello on Claremont Road. The House of Savannah is in Newcastle City Centre, not a residential area, while Panda and Son in Edinburgh is a cocktail bar with fake barber frontage and adjacent to business/commercial properties.

Finally, not far from Capello are three small businesses on the opposite side of the road. If these premises changed their ownership/use in the future, I am concerned that if they similarly applied for an alcohol licence, they would be successful due to a precedent set by this application should it be granted.

Yours sincerely

Dear Mr Young

Re: Application for a premises licence at 2A Claremont road, Whitley Bay, NE26 3TW

Applicant: -.Mr P Forester and Mrs C Forester

In respect of the grant of the above application, I have the following comments to make and wish to lodge the following representation:-

Northumbria Police wish to place an objection to the application for a premises licence on the grounds of Crime and Disorder.

The steps the applicant has placed in the operating schedule go some way to demonstrate to the police that this business will be properly managed to promote the licensing objectives. However there was not enough information for the police to make an informed decision. In section M of the application there were offered conditions from the applicant but they do not address the concerns of the Police. A meeting was arranged for Monday 22nd October 2018 at the premises in Whitley Bay with Mr Kirkpatrick, Licensing officer for the Police, and the applicants.

During the meeting both the applicants gave Mr Kirkpatrick assurances the premises would be run effectively and gave a full description of what alcoholic products would be on sale. Mrs Forester informed Mr Kirkpatrick the new venture would be run as a hair salon with a bar open to the general public. A condition was discussed that any alcohol to be sold would only be to person attending for a hair or beauty treatment. Mrs Forester declined the condition because if two people came in, one for a treatment, the other person waiting could not have a drink.

The premises is situated in a very residential area, 2A forms part of the land owned by the applicants, the nearest premises to have a sit in alcoholic drink is either the Kittiwake, Briardene or one of the premises on park View. It is envisaged by the applicants that the hair salon to be a stopping off point either to or from Whitley Bay high Street. This would turn a hair salon with a bar to a bar with a hair salon, taking the focus away from its primary function. It is anticipated that this will lead to increased crime and disorder and Anti-social behaviour.

Mr Kirkpatrick contacted a colleague in Newcastle to enquire if any such premises were similar and what conditions were attached to the licence and were they working, he was informed there were such premises and the conditions attached do work. Such as alcohol is ancillary to attendance at the premises for a beauty treatment, hair appointment or spa.

The licence application in its current form would not be supported by Northumbria police.

Northumbria Police request that the offered conditions are expanded upon for the prevention and detection of crime and/or disorder and attached to the premises if granted.

Yours sincerely,
