The four licensing objectives, as set out in the Licensing Act 2003, are:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm.

Each application that comes before this Committee will be treated on its own merits, and this Licensing Authority will take its decision based upon:

- The merits of the application
- The promotion of the four licensing objectives
- The Statement of Licensing Policy of North Tyneside Council
- The guidance issued under Section 182 of the Licensing Act 2003.

The Procedure of the Committee is as follows:

1. The Chair of the Committee will open the hearing and will ask all persons present at the hearing to identify themselves. The Chair will then explain the procedure to be followed at the hearing.
2. The Committee will then consider any request made by a party under regulation 8(2) of the Licensing Act 2003 (Hearings) Regulations 2005 for permission for a person to attend as a witness on his/her behalf.
3. The Licensing Officer will present a report to the Committee outlining the application, any relevant representations and the relevant sections of the Council’s Statement of Licensing Policy and the statutory guidance.
4. The Committee may ask any relevant questions they have of the Licensing Officer.
5. The Applicant or their representative will then be invited to address the Committee to clarify any information arising from the officer’s report, if necessary.
6. Each of the Responsible Authorities which have made representations will be invited to address the Committee about the application, to indicate why they consider the issues they have raised to be relevant to the licensing objectives and sufficient to object to the application or notice (as applicable).

If a Responsible Authority has obtained prior permission to call a particular witness, then they may call that witness.

7. The Committee may ask any relevant questions they have of the Responsible Authorities.
8. Other Persons may ask any relevant questions they have of the Responsible Authorities.
9. The Applicant or their representative may ask any relevant questions they have of the Responsible Authorities.
10. Each of the Other Persons who have made representations will be invited to address the Committee about the application, indicating why they consider the issues they have raised to be relevant to the licensing objectives and sufficient to object to the application or notice (as applicable).

If any Other Person has obtained prior permission to call a particular witness, then they may call that witness.

Note: In order to avoid repetition and to expedite proceedings at the hearing, objectors within the same group of Other Persons are encouraged to appoint an agreed spokesperson to address the Committee.

11. The Committee may ask any relevant questions they have of the Other Persons or their witness(es).
12. The Responsible Authorities may ask any relevant questions they have of the Other Persons or their witness(es).
13. The Applicant or their representative may ask any relevant questions of the Other Persons or their witness(es).
14. The Applicant or their representative will be invited to address the Committee, as to why they consider the issues raised by the Responsible Authorities and Other Persons to be irrelevant to the licensing objectives and why they consider the Committee should grant their application or notice (as applicable).

If the Applicant has obtained prior permission to call a particular witness, then they may call that witness.

15. The Committee may ask any relevant questions they have of the Applicant, their representative or their witness(es).
16. The Responsible Authorities may ask any relevant questions they have of the Applicant, their representatives or their witness(es).
17. Any of the Other Persons may ask any relevant questions they have of the Applicant, their representative or their witness(es).

20. The Chair will invite the Applicant or their representative to make a brief closing statement. Each Applicant should ideally take no longer than 10 minutes to make their closing statements.
21. The Chair will ask all parties if they are satisfied that they have said all they wish to.
22. The Committee will retire in private to consider the application and make its determination. The Legal Adviser will be present to ensure that all matters of law, evidence and procedure are adhered to appropriately but will not take part in the decision.
23. In considering any representations or a notice made by any party, the Committee may take into account documentary or other information produced by a party in support of their application, representations or notice (as the case may be) either before the hearing or, with the consent of all the other parties, at the hearing.
24. The Committee shall disregard any information given by a party or by any person to whom permission to appear at the hearing is given by the Committee, which is not relevant to:
 - (i) their application, representations or a notice (as the case may be) or, in the case of another person, the application, representations or notice of the party requesting their attendance; and
 - (ii) the promotion of the licensing objectives or, in relation to a hearing to consider a notice given by a chief officer of police, the prevention of crime and disorder licensing objective.

NB Parties are reminded that any documentary or other information or evidence they wish to produce in support of their application or representation must have been disclosed to all parties prior to the hearing taking place. **Late representations, documents or evidence will only be considered with the agreement of all parties present.**

25. The Committee will return to announce its decision. A written notice of the decision will be provided to all parties in accordance with statutory requirements. The decision letter will include the reasons for the decision, and any conditions placed upon the licence (if granted) and the licensing objective(s) they relate to. The notification of decision will include information on a party's right to appeal against the Committee's decision.

General Matters

1. Expectations on parties

The Licensing Authority expects all parties to a hearing to endeavour to address any issues openly and to work towards an amicable resolution, if at all possible, prior to the hearing taking place.

All parties will be expected to:

- (i) demonstrate which of the four licensing objectives are addressed in relation to each of the issues they wish to raise at the hearing; and
- (ii) draw to the Committee's attention any relevant aspects of the National Guidance or local Statement of Licensing Policy which they also consider are particularly relevant to the Committee's consideration of the issues the party(ies) has/have raised.

2. Agreement that a hearing is unnecessary

A Licensing Authority can dispense with holding a hearing if all persons concerned (applicants and parties raising a representation) give notice to the Licensing Authority prior to the hearing date that they consider it unnecessary.

Where all such persons have given such notice, and the Licensing Authority agrees that a hearing is unnecessary, the Licensing Authority will give notice to the parties that the hearing has been dispensed with.

3. Failure of parties to attend

The hearing may proceed in the absence of any party who has informed the Licensing Authority that they do not intend to attend or be represented at the hearing.

If a party fails to attend or be represented at a hearing without notifying the Licensing Authority, the Committee may adjourn the hearing to a specific date if it considers it to be in the public interest to do so, or alternatively may proceed with the hearing in the party's absence. In the interests of the other parties, costs and efficiency, hearings will generally proceed notwithstanding the absence of any party (including the Applicant).

Where it is decided to proceed in a party's absence, all notices and representations received from the absent party will be considered by the Committee.

If, in exceptional circumstances, a decision is made to adjourn a hearing all parties will be advised of the date, time and venue to which the hearing has been adjourned.

4. Questioning of parties

The Licensing Authority will generally allow all parties to ask questions of another party present, but this decision will be taken on a case by case basis and in some exceptional circumstances (a reason will be given) cross examination may be prohibited.

5. **Further clarification**
When addressing the Committee each party shall respond specifically to any points of which it received notice (with the Notice of Hearing) upon which the Committee was seeking clarification.
6. **Questioning by Legal Adviser**
The legal adviser to the Committee may ask questions on behalf of, or in addition to, the Committee members themselves.
7. **Hearsay evidence**
Hearsay evidence will be admissible provided that it is relevant. The weight to be attributed to hearsay evidence will be a matter for the Committee.
8. **Persons behaving in a disruptive manner**
The Committee has the right to exclude any person disrupting the hearing, at their discretion. The Committee can refuse to allow that person to return or, alternatively, may permit him/her to return on such conditions as the Committee may decide. Any person required to leave the hearing may, before the end of the hearing, submit to the Committee in writing any information which they would have been entitled to give orally had they not been required to leave.
9. **No decision-making by Ward Members**
A member of the Licensing Committee shall not be entitled to participate in any decision-making in relation to any licensing application concerning premises in the Ward for which he/she serves as Councillor.

EXTRNL

I live at number

I would like to lodge my concerns to the above licence application on the following points;

1. The coming and going of people to the venue late at night on otherwise a quiet road
2. Taxis parked, picking up and dropping off (slamming doors etc)
3. People standing outside the front entrance smoking, and causing noise this is approximately 20ft from our bedroom windows.

If this was to go ahead could we insist on the following, door staff at the front doors at all times, smokers to be accommodated to the rear of the building and finally cctv on the main street in case of any trouble or damage to surrounding properties.

The fat ox have door staff and smokers at the rear of the building and this seems to work well, this will have a massive impact on our lives I.e privacy and noise issues late at night.

We wish to make representations against the provision of a Premises Licence to HT Leisure Limited for the proposed premises, Mr Petit & Giraffe Lounge:

1. The proposed site is not in keeping with the neighbourhood, largely residential, including a care home opposite the venue.
2. Noise, music and the sale of alcohol from early morning til late at night is not desirable to residents.
3. Anti-social behaviour is likely which will cause problems within the residential area.
4. Traffic problem as no space outside venue for drop off area.
5. This type of business does not 'fit in' with other businesses along that street.
6. Property values will depreciate once this venue is up and running. Why not place it where there are other pubs and clubs, perhaps along the sea front, if it must come to Whitley Bay?

We hope that you will carefully consider our representations against a licence as we are very concerned about the proposed use of this property and are long standing residents of

Dear Sir,

**Representations against Premises Licence for Mr Petit & Giraffe Lounge,
 46-60 Park View, Whitley Bay**

I wish to make representations against the provision of a Premises Licence to HT Leisure Limited for the proposed premises, Mr Petit & Giraffe Lounge:

- The proposed site is near a largely residential area and the use is not in keeping with a residential environment.
- There is a care home opposite the proposed venue.
- Noise, musical activity and the sale of alcohol from early in the morning to the early hours is not suitable as in close proximity to local residents.
- Such a venue would create traffic problems along that already congested stretch of Park View, i.e. no space for drop off/pick up parking area.
- Anti-social behaviour is the probable outcome of lengthy drinking hours which will disturb the peace within the residential area.
- This type of business is not in keeping with the other retail outlets in the immediate area.
- The proximity of this type of premises is likely to depreciate the value of local residential property (a desirable upmarket area).
- Common sense would dictate that the type of business proposed would be better placed in an area where entertainment already exists.

I sincerely hope that this application for a licence fails as I feel it would be detrimental to the area in which I have lived for many years.

Yours faithfully,

To whom it may concern

I wish to object, strongly, to the granting of a licence for this premises, the former Poundstretcher shop in Whitley Bay. This is not currently an area of licensed premises, apart from one public house which closes at 10 pm. This is because it is actually in the middle of a residential area. Directly opposite the premises are flats and the premises has large single glazed windows, so it would seem impossible for the live music etc not to be audible as per the application requirements - till at least midnight midweek and till 1.30 at weekends. Similarly, I have just walked behind the premises and the back door of the premises in question is 18 paces from the rear wall of adjacent properties. Again, the licence requires that no noise is audible outside the premises. My contention is that live music and dance most certainly will be.

I therefore register our objection to this application.

Please will you inform me immediately upon receipt that you have this objection and that it is correct in its format and therefore will be taken into consideration at the licensing committee meeting. Please further inform me of the time and date and venue of said meeting. Thank you.

Comments: 7:16 PM on 13 Aug 2018 The opening hours that this applicant(s) is asking for are ridiculous in what is a mainly residential area.
This application is basically asking for a nightclub to be operated from the premises!
A restaurant on its own would never require to be open past midnight.
This will undoubtedly bring with it associated public disorder offences and unacceptable noise disturbance (late at night) to the many local residences, in extremely close proximity to this property.
There are already several existing licensed premises located along Park View and there is no need whatsoever to add yet another, particularly one which is clearly intending to operate as a nightclub, asking for permission to open until the early hours of the morning on Friday and Saturday evening, as well as midnight on other evenings (including Sunday night)
If the council have any consideration for the residents of this area, then they will deny this application.

EXTRNL

Dear Sirs

I would like to make an objection to the proposed application for a premises license for the former Poundstretcher premises on Park View, Whitley Bay.

There are several reasons why, in my opinion, this should not be granted.

There are residential properties facing (above the shops) and backing onto these premises. As the license is being applied for until 1.30 a.m. on weekends, and half past midnight for the rest of the week, there is the potential for considerable disturbance to those living in the vicinity, this coming from noise from the music, from people leaving the premises and from additional vehicles, such as taxis, picking up customers.

There has been much emphasis in the press recently about the need to rejuvenate retail in the area, but by adding another bar on Park View, rather than a shop, then potentially fewer people will walk that way for shopping, meaning that existing shop owners will suffer from a reduced footfall and passing trade. One retailer, who I know, has already noticed a difference since Poundstretcher closed, and more recently following the closure of The Factory Shop.

There are also, already, two premises on Park View - The Fat Ox and The Town House - offering live music, which is one of the listed items on the application.

I moved to Whitley Bay last year, to a street very close to the proposed development, and one of the attractions was that the council had been doing much to reduce the number of late night drinking and dancing establishments which had led to an influx of rowdy groups. The council emphasis seemed to be on a desire to make Whitley Bay a family friendly place. I hardly see that a new night club, which offers "tittillating entertainment" (according to its website) fits in with this image. Newcastle and other areas, which aren't exactly far away, have plenty of similar establishments if people want that kind of a night out.

I hope that you will consider my objections.

Yours faithfully

With regards to the above application, I would like to make an objection.

The premises are clearly for a Nightclub but without using the exact word. The building has residents to all four sides and the hours on the application will have a direct noise implication for the neighbours with added potential for disorder on premise closing times.

Where the premises are located there is no facility for people being dropped off or picked up to the front (double yellows and zebra crossing zig zags) so I suspect they will make use of the rear doors which puts the residents of Roxburgh Terrace directly in line of such noise pollution, amongst the other undesirable activities of people under the influence of alcohol.

It will also lead to increased pressure on local parking. Currently we have to buy permits but customers are entitled to park in [Redacted] free of charge overnight and on Saturday leave their car there until Monday morning if they return home via taxis. the one way system in place is so poorly signed at the Park View end, we have no end of cars returning wrong direction to the Park View entrance.

I couldn't think of a worse location for such a business, memories of previous premises in the Whitley Bay are not good ones.

Re Application for a Premises Licence

**MR PETIT AND GIRAFFE LOUNGE 46-60 PARK VIEW WHITLEY BAY TYNE AND WEAR
NE26 2TH**

We would like to make a representation regarding the proposed opening of licensed establishments at 46-60 Park View Whitley Bay (the premises previously occupied by the retail store Poundstretchers).

As residents of [Redacted] Whitley Bay [Redacted] premises and are very concerned about the negative impact that the proposed, rather drastic, change of use will have on a peaceful residential area. We are primarily concerned with the high levels of noise that we assume will be associated with the new activities especially late at night / very early in the morning and would like to base our objection on the likely failure to meet one of the licensing objectives - the prevention of public nuisance.

We do note from the Operating Schedule attached with the application that, at item 6, it is stipulated that no noise should be audible beyond the boundaries of the premises. We are, however, rather sceptical as to whether this can be achieved especially as there is no mention of any actual noise reduction methods that are to be employed, neither are there any provisions given for the monitoring of noise levels. Also as this item specifically makes mention of noise from patrons and the playing of recorded music the implication is that the playing of live music is exempt from this stipulation and therefore no limits will apply - if this is the case we would certainly object in the strongest terms as, from experience of other nearby establishments, we know this can be extremely loud indeed.

We frequently have our young grandchildren staying with us, often at weekends, and are concerned that the increased noise levels late at night will upset them and disturb their sleep.

Although our main worry is the noise levels of the entertainment being provided we are also concerned with the noise that will be made by customers leaving at closing time although as our property is located at the rear of the proposed development this would only be a major concern should there be an entry / exit situated at the rear.

In general it is the late opening (and the provision for further extensions on bank holidays) which we find problematic as this is considerably later than other licensed establishments in the area.

With regards to the above application, I have been unable to find anything online to post my support for this business to go ahead. I have used a form for a similar business in Monkseaton but this application doesn't seem to have the same format.

As a resident & also small business owner I think this is going to be a refreshing change to our high street, a modern bar which will attract a wide range of ages - I know I can enjoy an hour or 2 with the girls after work along with my family. They aren't opening an Easy Street type bar!
I think it's in the perfect place, the heart of the town & can only bring more business to our town.

If I need to post this anywhere else or there is actually a form similar to the one for the new premises opening in Monkseaton please can you point me in the right direction? Many thanks

I strongly object to the application on the basis that apart from the noise issue, the area between the premises and Roxburgh Terrace at weekends in particular is a thoroughfare for people leaving the center of Whitley Bay up to Monkseaton etc.

there is already sufficient "nocturnal activity" transpiring as it is without creating the opportunity to increase it.

Dear sir/madame,

We would like to raise objections to the application from HT Leisure Ltd, on 26th July 2018, to open a Giraffe lounge in the shop unit 46-60 Park View.

Between Fitzgeralds (now Whitley Bay Brewing company) we have the following; Tanner Smiths

The Firestation

The Storm Cellar - (behind the Firestation)

The Victoria

The Town House

The Fat Ox

The Dog & Rabbit

8 pubs in a small area is more than enough, especially as they are

starting to encroach into the residential area where there are a lot of families with young children.

We are surprised that the council are even considering opening such a place within a residential area. We have spoken to the proprietors of other establishments on Park View who have said they were given their licenses on the proviso they closed 10-10:30pm. Yet here we have you as the licensing board considering an application from a company who wish to open until midnight Sunday to Thursday & 1am Friday & Saturday. In other words a nightclub which will have live & recorded music along with the performance of Dance!! There is no parking outside this unit, no where for taxi's, people living in the flats above the shops not to mention the residential houses in the area. Allowing this to open here will have a negative impact on the area & will affect the house prices and the safe upbringing of our children.

(3)

The council cannot guarantee the clientele that will frequent this establishment which could put out children in vulnerable situations. The through traffic will increase at all hours with taxi's etc.

I am sure that anyone supporting this does not live in the area, nor would they want to.

If this application does go ahead I hope you will have the courtesy to explain your reasons. It has taken a long time for you to dear Whitley Bay of the nightclub culture & would like to hope you will not allow this within a residential area.

Yours faithfully

Dear Sir / Madam

I live on [redacted] Whitley Bay and have seen that an application for a Premises Licence at Mr Petit and Giraffe Lounge is being made to allow music to be played and alcohol to be sold from (8am to 12am Sunday – Thursday) and (Friday – Saturday 8am till 1am) with the potential of a half hour extension.

This is something that I would like to object to in the strongest possible terms. [redacted] ;
[redacted] ; from the proposed venue I feel that if this licence was to be granted, then I and the neighbourhood would suffer from noise, disturbance and anti-social behaviour because of the noise from events and customers arriving/leaving. In addition there will be a continuous gathering of people smoking outside of the venue on the public footpath as there are no alternative locations for smokers to congregate which will lead to conflict with the residents of Whitley Bay.

Anyone wishing to attend an event would need to do so by foot, in their own vehicle or a taxi. This in itself will cause significant disturbance. The area is normally very quiet during the early hours of the morning and in particular any arrivals or departures after midnight will cause a disturbance which is likely to be from taxis picking up and dropping off patrons for the venue which will lead an increase in noise, traffic & parking issues.

I am also concerned about the potential for damage to my property / vehicle if customers are allowed to leave in the early hours of the morning, having drunk significant quantities of alcohol.

The use of this part of Whitley Bay Town Centre as a venue for late night entertainment is not an appropriate one because of the character of the area.

Licensing Application, Mr Petit and Giraffe Lounge, HT Leisure Ltd., 46 -60 Park View, Whitley Bay, NE26 2TH

Please indicate how the above premises would be made sound proof and how outside disturbance late at night would be eradicated.

Park View is a quiet, pleasant shopping street in a residential area. Premises open late at night, offering live music, recorded music, dance and anything similar to making music and dancing, plus the sale of alcohol would be completely out of character with the area and would constitute an intolerable disturbance to residents who have a right to the quiet enjoyment of their homes.

I strongly object to the above application.

Ms Frankland,

RE: 46-50 Park View, Whitley Bay

I write in response to the application for Alcohol, late opening, late live music and dancing at the above premises.

I have a number of concerns regarding the plans for this property and feel that I must object to such an application being approved.

My prime objections are that I believe it would lead to noise nuisance in the locality and lead to public disorder in the Town Centre and the outskirts.

The close proximity of existing domestic premises on Roxburgh Terrace would in my opinion mean that residents would be affected by the function of the business and also by the nature of its operation.
