

North Tyneside Council Report to Council 18 January 2018

ITEM 1

Questions by Members of the Public

Notice has been received of the following questions from members of the public to be put to the Council meeting.

1. Question to the Elected Mayor by Dr M Ridley of Cullercoats

I have semi-retired to Cullercoats having worked and lived in London for 30 years.

One of the problems i find living in North Tyneside is the public transport particularly at night. London has a weekend night tube and a night bus service as good as its day service.

My question is are there plans to introduce a night bus service across North Tyneside with a weekend night metro-service. This would help build the night economy, improve people's lives and reduce drink driving.
