

2020/21 Budget Engagement Strategy

North Tyneside Council is committed to being an organisation that works better for residents and to ensure that it listens and cares. This commitment includes giving residents and other key stakeholders an opportunity to be involved in the Financial Planning and Budget process.

The Authority's overall approach to engagement ensures that the public have opportunities to have their say throughout the year, through a series of different methods, including engaging with the Elected Mayor, Cabinet and ward members through activities such as the Mayor Listens Events and Community Conversation activities. We also offer a broad range of both on-line and face to face engagement or consultation exercises on different key issues as well as our annual Resident's Survey.

In all of its engagement activity, the Authority is committed to ensuring that residents with protected characteristics, as set out in the 2010 Equality Act, are able to participate. In line with this an Equality Impact Assessment has been undertaken on the 2020/21 Budget Engagement Strategy and this is available on request.

In line with the proposed 2020-2024 financial planning and budget process as set out in Appendix A, engagement on Cabinet's initial budget proposals will take place from November 2019 to January 2020. The engagement approach is set out below .

Approach

Our approach aims for maximum reach by offering a range of different opportunities for people to have their say. In line with the Authority's corporate engagement strategy the approach will be consistent with the following principles

- Inclusive - making sure that everyone is able to engage in the process
- Clear - being clear on the aims of the engagement activity at the outset and the extent to which residents and others can be involved
- Integrated - ensuring that engagement activities are joined up with the relevant decision making processes
- Tailored - aiming to better understand our audience and using different methods appropriately to enable and encourage people to be involved
- Feedback - giving feedback through agreed channels when engagement activity is completed
- Timely - aiming to give sufficient notice to make opportunities available to all and taking into account those times when it is more appropriate to engage depending on the target audience.

Budget engagement activity for the 2020/21 budget will comprise
