PART 2 – COMPLIANCE WITH PRINCIPLES OF DECISION MAKING

2.1 Finance and other resources

The Internal Audit Service supports the Chief Finance Officer in discharging the requirements of section 151 Local Government Act 1972, which requires that local authorities 'make arrangements for the proper administration of their financial affairs'. Internal Audit examines the Authority's systems of internal control, and the economy, efficiency and effectiveness with which resources are deployed.

There are no financial implications arising from the recommendations set out in this report.

2.2 Legal

The Accounts and Audit Regulations 2015 require the Authority to undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance. The Public Sector Internal Audit Standards require that the Chief Internal Auditor delivers an annual Internal Audit Opinion, which concludes on the overall adequacy and effectiveness of the organisation's framework of governance, risk management and control. This report complies with all necessary requirements of the Public Sector Internal Audit Standards.

2.3 Consultation/community engagement

The 2017/18 opinion on the adequacy and effectiveness of the framework of governance, risk management and control summarises Internal Audit findings communicated to and discussed with service management throughout the course of 2017/18. Regular reports have also been made to the Audit Committee throughout the year, advising of the outcomes of Internal Audit's work, in accordance with the Audit Committee's planned schedule of work.

2.4 Human rights

There are no human rights issues arising from this report.

2.5 Equalities and diversity

There are no equality and diversity issues arising from this report.

2.6 Risk management

The risks associated with this report have been considered and discussed with the Senior Risk Advisor and will be managed in accordance with the North Tyneside Council risk process.
