

Draft Community Safety Strategy 2019-2024

The Crime and Disorder Act 1998 places a duty on responsible authorities to work together to tackle crime, disorder, substance misuse and reoffending within the community.

Our established Community Safety Partnership, Safer North Tyneside, oversees this statutory responsibility.

A key requirement of the partnership, is the production of a Community Safety Strategy. The existing strategy expires in March 2019. Safer North Tyneside is developing a new five year Community Strategy and would like your views on the following proposed priorities for the next five years. Please take a few minutes to complete the following questions. The consultation finishes on 26 March 2018.
