

### **Explanatory Note**

Greggs plc have requested that consideration of planning applications 18/01155/FUL and 18/01156/ADV, Units 13 & 14 Collingwood Centre, Preston North Road, North Shields be deferred. This is to provide them with further time to address the issues raised by the Environmental Health Officer concerning insufficient information about the proposed extraction system and to put forward a scheme that is acceptable to the EHO.

Greggs' request has been accepted by the Chair as he wishes the Committee to be in possession of all the relevant information before reaching its decision. The applications will not therefore be considered at the meeting on Tuesday 30 October 2018.

It is anticipated that the applications will be considered at the next meeting on 27 November 2018 but this is to be confirmed.
