Problem with a laptop?

Need help with phones or tablets?

Never used the internet?

Curious about social media?

Our IT expert will be on hand for two hours every week to answer your queries. Whether it's a problem with a device you own, guidance on how to get the best from our online resources, how to apply for jobs, or simply a guide on how to get started online, drop in to the library at the times shown above and we'll be happy to help.
