How are places offered?

North Tyneside Council co-ordinates admissions to all schools in North Tyneside and with neighbouring Local Authorities. We recommend that you make your application online.

Many schools have more applications than places available. When schools are oversubscribed a set of admission criteria are used by the Admission Authority to decide which children should be offered places.

Different schools have different admission criteria so it is important that you check the admission arrangements for all the schools you are interested in to find out which criteria you are applying under.

Admission Authorities **do not** take into account childminding arrangements and friendship groups.

The admission authority for Catholic/Faith and Trust Schools is the school's Governing Body.

The admission authority for Academies is the Academy Trust.

The admission authority for Community Schools is the Local Authority.

A copy of the admission arrangements for schools in North Tyneside can be found online in the Essential Guide to North Tyneside Schools booklet available on the North Tyneside Council website or on the school's website. You should read the arrangements for the schools you are interested in.

What do I have to do?

You should choose up to 3 schools and rank them in order of preference.

To help you make this decision you can:

Find schools in your area by looking at the Essential Guide booklet. You have one catchment area school and you can find this by looking at the Catchment Map at my.northtyneside.gov.uk

Read the admission criteria for the schools you are interested in and consider whether you would be offered a place.

Arrange to visit schools. You can find out the dates of open evenings by contacting schools directly.

Consider other sources of information, e.g. the school prospectus available from the school. This can tell you more about the school than the Local Authority brochure or Ofsted reports.

The Essential Guide shows school admission statistics from the previous year. This gives you a guide to the schools that are usually oversubscribed.

You must make an application by 31 October 2023.

You should apply online at my.northtyneside.gov.uk

If you don't have access to the internet you can request a paper form from the School Admissions email address on the last page of this leaflet. Don't forget to give your address so we can post one to you. If you decide not to complete an application form you will **not** be sent a reminder.

Make sure you confirm the correct category you are applying under on your application for each school you state as a preference.

It is recommended that you apply for a place at your catchment area school. This is the school that we are most likely to be able to offer your child a place. However, no guarantee is given that a place can be made at your catchment area school.

What happens next?

If you have correctly applied we will offer your child a place on 1 March 2024.

Online applicants who request to be notified by email will receive an allocation email on **1 March 2024**. This is the easiest way to receive your school allocation.

Online applicants will be able to view and accept their school offer online at **my.northtyneside.gov.uk** after allocation emails have been sent.

Parents/Carers will be **sent an allocation letter by 2nd class post on the 1st March** if they applied on a paper application.

If your child qualified for more than one school, you will be offered the highest ranked school at which your child qualified for a place.

If your child did not qualify for any of the schools you ranked, we will offer a place at your catchment area school if a vacancy exists or the nearest appropriate school with a vacancy. You will also be sent a refusal letter in the post explaining the reasons why your child has been refused a place.

What can you do if you are not happy with the school you have been offered?

If your child has not been allocated a place at any school you ranked higher on your application form than the school you were offered you may ask to place your child's name on the waiting list. You can do this on the Portal if you applied online or by emailing us if you applied on a paper form.

Waiting lists are held in criteria order and this means a child who is on the waiting list will move down the list if another 'Late' application is received that falls within a higher priority under the oversubscription criteria. Waiting lists for all schools will be held for one term in the academic year until **31 December 2024**.

If you are not happy with the school you have been offered and want to apply for a school that was not on your original application you must complete a new application. **Amended preferences will overwrite your initial application.** Therefore, if you wish to retain any of your original preferences they must be included in your new application. You are unable to have your child's name on a waiting list for more than 3 schools.
