Applicant's consent and declaration: Please read the following carefully before signing and dating the declaration.
I authorise my doctor, specialist or appropriate healthcare professional to disclose medical information and/or reports about my health condition(s), together with any relevant information relevant to fitness to drive, to the Licensing Section, North Tyneside Council for the purpose of the Council (by its Officers and/or Members) of assessing my fitness to drive a hackney carriage or private hire vehicle licensed by that Council. I understand that the doctor that I authorise may pass this authorisation to another registered healthcare professional who will be able to provide information about my medical condition that is relevant to my fitness to drive.
I declare that to the best of my knowledge and belief all information given by me to my doctor(s) in connection with the examination or the completion of the DVLA Group 2 medical examination report are true. In the event that the Council is not satisfied of my fitness to drive a hackney carriage or private hire vehicle, I confirm that I may, at my own cost, submit such further medical evidence to the Council as I consider appropriate.

Important information for doctors carrying out examinations. This form must be completed in full, using black ink, by the applicant's own G.P. or a medical practitioner who has reviewed the applicant's medical records. Please answer all questions and once completed sign the declaration at the end. The Councils' policy on medical fitness requires hackney carriage (taxi) and private hire drivers meet Group 2 Standard , as set out in the DVLA publication 'Assessing fitness to drive – a guide for medical professionals'. A medical is required on initial application for a licence and then at each five-yearly renewal at age 45, then every year after age 65. Before you fill in this report you must check the applicant's identity and decide if you are able to complete the Vision assessment on page 2. If you are unable to do this, you must inform the applicant that they will need to ask an optician or optometrist to complete the Vision assessment.
