Privacy Statement The information you provide on this form will be used only for the purposes of the work in connection with your building control application in processing and assessing your project for compliance with the Building Regulations 2010 (as amended) in line with our statutory duty.

Your personal information will be processed in line with Data Protection legislation. It will not be disclosed to third parties for marketing purposes but may be lawfully shared with certain third parties (consultant structural engineers, electrical engineers and heat producing appliance engineers) for the purposes of assessing compliance under the Building Regulations.

If you believe the data we process on you is incorrect you may request to see this information and, if required have it corrected or deleted. If you wish to raise a complaint you can contact our Data Protection Officer at the address below.

If you believe we are not processing your data lawfully you can complain to the Information Commissioner's Office (<https://ico.org.uk/>).
