

Evaluation Report - Housing Framework 2024

The following Tender responses have been received in the electronic Tendering Portal (the NEPO Portal) and verified by Legal and Democratic Services as Compliant Framework Tenders. After the Procurement initial compliance checking which included mandatory pass/fail questions, the technical quality evaluations were completed which consisted of a weighted Case Study (Section 6), based on previous experience, where bidders had to reach a 60% (satisfactory) threshold to continue to the weighted (Quality Questions Section). The Pricing was then checked for abnormalities and added to the evaluation matrix to identify the preferred bidder(s). The final compliance checks were completed by the relevant Authority departments which included Financial and H&S and the Tenderer(s) have passed and now been identified as preferred bidder(s).
