

SUPPORTING FAMILIES

Information for the public

What are we doing with your information?

If your family is assessed as eligible to receive support from North Tyneside Council's Supporting Families Programme we will share your personal information (including your name and date of birth) with the government for research purposes.

How will it affect me?

It won't affect your benefits, services or treatments that you receive. Your information will be handled with care in accordance with the Data Protection Act.

Why is my data being shared?

We are sharing your information to help improve the services your family and other families receive in the future.
