Guide No. 5

Cemeteries and Crematoria

North Tyneside Council

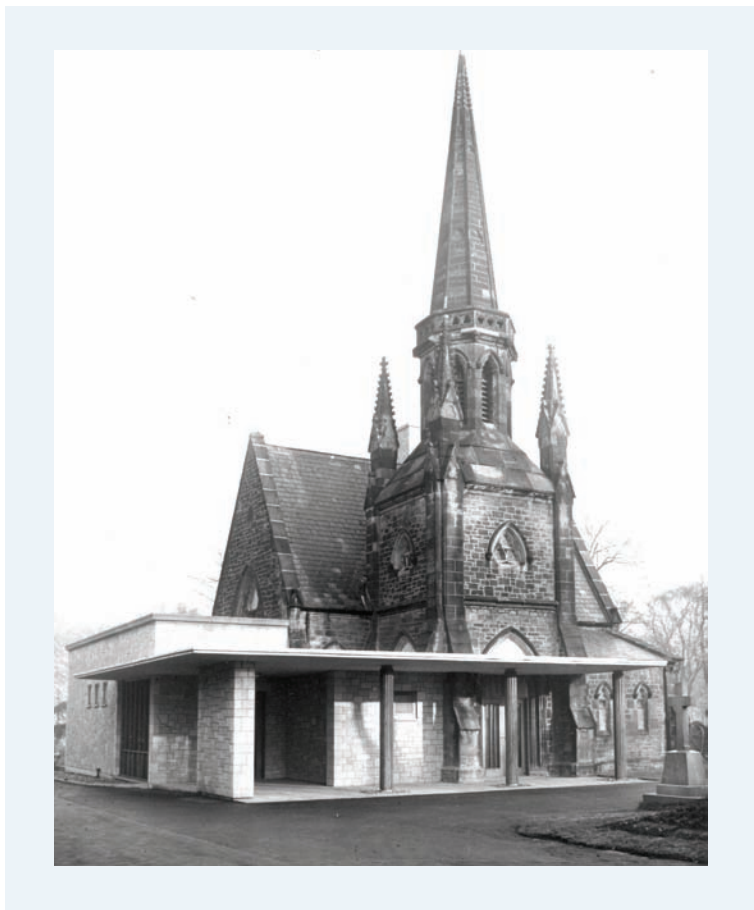

Discover
North Tyneside

By the mid-nineteenth century, church graveyards were beginning to pose serious health risks due to overcrowding.

The Burial Acts of 1852 and 1853 enabled local authorities to administer their own cemeteries. Parish vestries elected Burial Boards to manage them.

This user guide outlines the cemetery records held here which will yield information about individual persons. Included are burial registers, monumental inscriptions and some registers of cremations.
