NORTH TYNESIDE STRATEGIC PARTNERSHIP EXECUTIVE DRAFT MINUTES

Room 309, North Tyneside Council Offices, The Quadrant, Silverlink North, NE27 0BY

Wednesday, 7 June 2017

Present:

Patrick Melia	Chief Executive, NTC
Bill McGawley	Chamber of Trade and Commerce
Audrey Kingham	TyneMet College
Graeme Hurst	Tyne and Wear Fire and Rescue
Mary Coyle	North Tyneside Clinical Commissioning Group
Cllr Margaret Hall	North Tyneside Council
Roger Layton	Joint Trade Union representative
Sandra Brydon	Job Centre Plus
Philip Trenbirth	Job Centre Plus

Also present:

Craig Anderson	Policy, Performance and Research Manager, NTC
Julia Mather	Policy, Performance and Research, NTC
Martin Bewick	Strategic Housing Manger, NTC
Felicity Shoosmith	Community Voluntary Sector Liaison Manager, NTC
Lindsey Ojomo	Resilience, Security, Community Safety Manager
George Colquhoun	Community Safety Analyst, NTC

Apologies:

Norma Redfearn	Elected Mayor
Jackie Laughton	Head of Corporate Strategy, NTC
Janet Soo-Chung	NHS Clinical Commissioning Group
DCI. Sharon Scott	Northumbria Police
Jacqui Old	Head of Health, Education, Care and Safeguarding, NTC
Lisa Goodwin	Voda
Wendy Burke	Public Health
Cllr Carole Burdis	North Tyneside Council
Ian McKee	North Tyneside Coalition for Disabled People

Item	Decision/Action	Who and When
1.	<p><u>Welcome, Introductions and Apologies</u></p> <p>Patrick Melia welcomed members and visitors to the meeting, introductions were made and apologies noted.</p>	

<p>2.</p>	<p><u>Minutes (8 March 2017) and Matters Arising</u></p> <p>The minutes were confirmed as a true record. Graeme Hurst recorded as an attendee and apology in the Minutes – altered.</p> <p>Actions will be covered in the Agenda.</p>	
<p>3.</p> <p>3.1</p> <p>3.2</p> <p>3.3</p>	<p><u>Business</u></p> <p><u>Election of Chair and Deputy Chair</u></p> <p>To be deferred to next quarterly meeting.</p> <p><u>Love Your Street</u></p> <p>Felicity Shoesmith presented this item to the Executive.</p> <p>It was reported that the campaign stemmed from residents, with small areas of the borough being exemplars for the whole area. A member asked that work be carried out to target more deprived areas. Is there any discussion taking place to focus on these areas?</p> <p>The group considered how streets/areas/residents come to find out about the scheme. Currently there is an area on the Council’s website. This year will concentrate on a “soft launch”, and it was suggested that the group in the future create a non-NTC social media brand, as this project is less about the Council and more about the residents.</p> <p>Groups are able to access packs of information and are asked to register. Case studies are also being collected and a calendar of events is being produced.</p> <p>Members agreed that this could be a great project for The Prince’s Trust volunteers at Tynemet College. The group also discussed having a Love Your School campaign too, with bulbs and plants being provided, as this would provide a direct link between school and neighbourhood pride. A North Tyneside in Bloom award could be given out to schools.</p> <p>Felicity agreed to speak to Sam Dand regarding litter bins.</p> <p>In a later discussion, Graeme Hurst made a connection between the Green North Tyneside Carbon Capture Woodland project and Love Your Street – is there scope for tree planting on derelict land?</p> <p><u>Action Learning Sets</u></p> <p>The Executive received a presentation from Felicity Shoesmith on Action Learning sets, and how they fit in the Common Purpose</p>	

	<p>Programme.</p> <p>The Executive gave their agreement on the proposal and for Felicity to come back to report in the September meeting of NTSP.</p> <p>Partners agreed to start identifying a cohort of people who have been on Common Purpose.</p> <p>Partners to start to identify potential leaders who will take part in the Action Learning Sets.</p> <p>3.4 <u>Devolution (Verbal Update)</u></p> <p>The Executive received an update from Patrick Melia. While the process is currently on hold, awaiting the outcome of the General Election, communication channels remain open and discussions on a North of Tyne Devolution remain positive.</p> <p>3.5 <u>Ofsted Feedback</u></p> <p>Due to the upcoming General Election, the release of the Ofsted Report for North Tyneside Children’s Services has been delayed until 12 June.</p> <p>3.6 <u>Syrian Vulnerable Person Resettlement Programme update (presentation)</u></p> <p>The Executive received a presentation from Martin Bewick on this programme. The response to this scheme has been positive, and it is hoped that this can be reflected out into the community. There is a National Refugee Week approaching in June and this would be a good opportunity.</p>	
<p>4.</p> <p>4.1</p> <p>4.2</p>	<p><u>Theme Partnership Updates</u></p> <p>Green North Tyneside</p> <p>The Partnership considered the Green Theme report and asked that some consideration be given to getting involved with the Love Your Street campaign.</p> <p>Safer North Tyneside</p> <p>The Executive were updated on the work of the Safer Partnership by Lindsey Ojomo and George Colquhoun.</p> <p>The group heard about the change in recording practises, which has resulted in a sharp increase in recorded crime for Northumbria Police.</p> <p>The group recognised that crime statistics cannot be compared to other areas because recording practises differ too much. There is a real</p>	

<p>4.3</p>	<p>issue regarding consistency of approach.</p> <p>It was reported that police satisfaction levels have improved, and this recording practise has also contributed to perception of crime levels too.</p> <p>Roger Layton said that the Trade Unions would support the Hate Crime Task and Finish Group campaign.</p> <p>Lindsey Ojomo agreed to bring the Safer North Tyneside Strategy to a future NTSP meeting, along with DHR4.</p> <p>Health and Wellbeing</p> <p>Cllr Margaret Hall updated the Executive on the work being carried out regarding Health and Wellbeing. She was disappointed to report that due to the General Election, some major questions remain unanswered.</p>	
<p>5.</p>	<p><u>Any Other Business</u></p> <p><u>TyneMet/South Tyneside college merger</u></p> <p>The Executive heard from Audrey Kingham on the progress of the merger of the colleges.</p> <p>The consultation has now closed and the responses published. An 86% positive response was received, and the most popular name suggested was Tyne Coast. The changeover date has been set at 1 August 2017. This will be the changeover of the Technical Corporate Company, other branding will not change.</p> <p>There will be an overarching Tyne Coast board, and one board at each business unit</p> <p><u>Emergency Planning</u></p> <p>While there is no perceived threat in the North East, we remain vigilant. It is business as usual but lessons have been learnt from recent events. Advice has been taken from the national perspective, and full business continuity plans are in place.</p> <p><u>Vice Chair for NTSP</u></p> <p>To be agreed at the next meeting.</p>	
<p>6.</p>	<p><u>Date of Next Meeting</u></p> <ul style="list-style-type: none"> • Wednesday 6 September 2017, 1-3pm. • Venue – Voda office, TyneMet College 	

To: North Tyneside Strategic Partnership Executive
Date: 6 September 2017
Title: Election of Chair and Vice Chair

1. Background

North Tyneside Council is as an active member of the Strategic Partnership and is committed to helping to increase capacity in the leadership of North Tyneside based organisations.

2. Election of Chair and Vice Chair

Regarding the election of a Chair and Vice Chair for the NTSP Executive, the NTSP Handbook states that

- 5.1 Every three years, the Executive will elect a Chair and Vice Chair, each from a different sector. By virtue of their position in the partner organisation/sector, they will hold office for three years and be subject to re-election after a three-year period

- 5.3 If a chair steps down before an election is due, nominations for a new chair will be sought from members. If more than one nomination is received, a vote will be taken. New elections will be held at the usual time.

3. Election of Chair

At the start of the meeting on 6 September, nominations will be sought for re-election or election of a Chair and Vice Chair. If more than one nomination is received, a vote will be taken.

This process will be open to full members of the NTSP Executive only

To: NTSP Executive

Date: September 2017

Author: Ian McKee, Chair of the Green North Tyneside Partnership Board ☎ 0191 296 1437

Title of Report: Green North Tyneside Theme Partnership Update

1.0 Purpose of Report

To update the Executive on the Green North Tyneside Theme partnership achievements and challenges to date in delivering the Our North Tyneside Plan 2013-17 objectives.

2.0 Background

The Green North Tyneside Theme Partnership Board is made up of cross-sectoral representatives from across the members of the NTSP. Representatives from other organisations are involved in the delivery of projects through dedicated Project groups.

The agreed focus of the Board is to work together to reduce carbon emissions throughout the borough. To support this focus, the Board will endeavour to identify and apply for appropriate grant funding where possible.

3.0 Performance

The Green North Tyneside Theme Partnership objectives contribute to the delivery of the Our North Tyneside Plan outcome of, “**Our Places** will be places that people like living in and will attract others to either visit or live.”

It specifically contributes to the ‘Our North Tyneside Plan’ objective of, “We will reduce the carbon footprint of our operations and will work with partners to reduce the Borough’s carbon footprint.”

In addition the GNT projects contribute directly to achieving the outcomes outlined in our Creating a Brighter Future Themes:

- Ready for School
- Cared For and Safeguarded
- A Great Place to Live Work and Visit

3.1 **Key successes and achievements**

The last Chairs report outlined the detail of the following projects:-

- Whole House Innovation Project
- Fenwick Pit Heap Woodland for Carbon Offsetting and Carbon Capture
- Power Rangers & Game Of Homes
- Home Heating Heroes
- Environmental App research &
- Green Business Awards.

4.0 **Challenges and Opportunities**

The Board agreed to fund the following projects in August 2015. The projects and their progress are outlined below:-

- **Whole House Innovation Project**

This project has retrofitted 25 homes with low cost energy efficiency products (Oxypods and Rad-fans).

This project has now been completed.

- **‘Natural Technology’ - Carbon offsetting and capture**

The project will enable approximately 10,000 new trees to be planted in the Borough and create a GNT Carbon Capture Woodland. North Tyneside Council Officers, in consultation with the NTC Environment Board, have identified the former Fenwick Pit Heap site as a preferred location for the establishment of the new woodland.

This project is now completed. Tree growth will be monitored and if successful, the intention will be to roll out planting in other areas which have been identified in the site improvement plan.

- **Sponsorship of NT Green Business award**

It was agreed at the March Board meeting to use some under-spend in one of the GNT project budgets to part sponsor the 2017 Green Business Award. This decision was based on the success of previous year’s efforts by GNT and business applicants.

Additional commercial sponsorship for this award is being undertaken in conjunction with the NTC Economic Development Team.

5.0 What impact will the actions in this report have for North Tyneside?

Ongoing delivery of existing and proposed projects will continue to contribute to reducing the carbon emissions of the Borough. The projects will work collectively to address carbon reduction and also fuel efficiency and help to reduce fuel poverty.

6.0 Please detail those who have been consulted in the production of the report.

Members of the Board, including the Cabinet Member for Environment and relevant businesses and wider community organisations have been consulted on the projects outlined above.

REPORT

Information

To: NTSP Executive

Date: 6th September 2017

Cabinet Member: Councillor Carole Burdis

Author: Lindsey Ojomo, Resilience, Security Services and
Community Safety Manager

Title of Report: Safer North Tyneside Partnership update

1.0 Purpose of Report

1.1 To provide NTSP Executive with an update from the Safer North Tyneside partnership.

2.0 Recommendations for the NTSP Executive/Themes

2.1 NTSP Executive is asked to:

- i. Note the progress of Safer North Tyneside.

3.0 Information

3.1 The last meeting of the Partnership was held on 7th June 2016.

3.2 This work sits within the Council's Great Place to Live, Work and Visit Theme, part of the Creating a Brighter Future Strategy.

4.0 Safer North Tyneside Strategy

4.1 The current Community Safety Strategy is due for renewal in 2019. The refresh of the Safer North Tyneside Strategy is underway and approval will need to be sought via the Authority's Budget & Policy Framework which includes consideration by Cabinet, Overview, Scrutiny & Policy Development Committee and Council. The time table for the process is being agreed with the Cabinet Member and will be included on the Council's Forward Plan.

5.0 Domestic Homicide Reviews

- 5.1 DHR3 has now been published on the Safer North Tyneside website.
- 5.2 DHR4 chronologies have been completed and the Chair is currently reviewing the content. A DHR Panel meeting is scheduled at the end of August for all panel members to discuss the chronology information and to establish what further line of enquiries need to be made. This will identify the scope for the Individual Management Reviews which form part of the process. Correspondence has been sent to the victim's parents to ask what level of involvement they would like to have in the process.
- 5.3 DHR5 chronology templates have been circulated and returns requested for early September. As with DHR4 these will be reviewed by all members of the Panel and the Individual Management Review scope will be set. Correspondence has been sent to the victim's parents to ask what level of involvement they would like to have in the process.

6.0 Public Space Protection Orders

- 6.1 On 14 July, Cabinet considered proposals that have been developed to introduce Public Space Protection Orders (PSPOs) in the borough. The proposals are designed to replace and enhance existing public space restrictions relating to consumption of alcohol and dog control. The proposals were approved and public consultation is now taking place and will conclude on 22 September 2017.

7.0 Hate Crime Task & Finish Group

- 7.1 Members of the group have agreed that to focus the work of the group and to communicate their work that a Hate Crime Plan will be developed. A draft version of the plan is a work in progress following the last meeting in early August. The main elements of the plan are:-
- Communication/Awareness
 - Education/Training
 - Reporting
 - Enforcement
- 7.2 "So What @ The Base" is a young people's LGBT group in Whitley Bay and they have invited members of the Hate Crime Group to attend one of their September sessions to promote reporting of hate crimes. As well as promoting reporting this will also give us the opportunity to engage with the group around their views and issues to inform the Hate Crime Plan.
- 7.3 Gateshead's Community Safety Team has secured funding to host a Hate Crime Conference in October in collaboration with Gateshead College. Liaison with Gateshead will ensure we are able to take up places on the conference.
- 7.4 South Tyneside Council have approached other local authorities to do some joint work in relation to 'Mate Crime'. This is a developing area of work and

involves people who appear to befriend young people and vulnerable adults in order to exploit them. This will see the development of a “Who Are You” campaign that will be launched in November.

- 7.5 Hate Crime week begins 14 October and the Group have begun discussions on activities for the week. Northumbria Police will be doing a lot of work in the community and plans are underway to end the week with an event for the public where they can receive information from service providers and also encourage reporting.
- 7.6 The Group have utilised the Council’s social media during Refugee Week in June to promote positive messages around refugees and tackle some common myths. This approach was also taken in the week running up to Pride in July to share information around LGBT issues. There were very few negative responses from the public and a good number of shares and positive comments.
- 7.7 Age UK have recently set up a LGBT Group who have identified that finding LGBT friendly spaces as an issue. The Hate Crime Group have agreed to work with the group to look at how they can address this issue and signpost to venues which are LGBT friendly.

8.0 Building A Stronger Britain Together

- 8.1 It was noted during joint discussions around Prevent and Channel Panels that there was a gap in services where people did not meet Channel thresholds but could still be at risk of being radicalised. In October 2016, Show Racism the Red Card submitted a bid in collaboration with the Tyne & Wear local authorities to the Home Office’s ‘Building a Stronger Britain Together Fund’ to develop an education resource for young people who do not meet the channel threshold but where concerns exist about their behaviour and views.
- 8.2 The bid was approved in March 2017 and Show Racism the Red Card have recruited an additional Education Officer. The referral processes are being agreed in line with current reporting routes and good practice . Within North Tyneside discussions have begun with Front Door Service and Early Help teams and the Schools Improvement Officer is being linked in to embed this new intervention process across services.

9.0 Modern Day Slavery

- 9.1 Following the Northumbria Police led conference on Tackling Modern Slavery in early July, work has been ongoing with partners to establish the roles and responsibilities for North Tyneside Council. This is a relatively new and fast developing area of work which is often linked to Organised Crime and can be very complex in nature. A process to help support victims of modern slavery is being drafted across NTC’s services and a further report will be brought to the NTSP when this is fully in place.

10.0 2016/17 Performance

10.1 Crime

In the first quarter of 2017/18, total recorded crime increased by 21% compared to the same quarter in 2016/17. Similar increases have been seen across the Northumbria force area.

The disproportionate local and force-wide increase is attributed to a continued change in recording practices, including a “pre-criming” approach to recording where a reported incident is recorded as a crime by default (e.g. for reports of criminal damage, to obviate the need to use finite investigatory resources). Another change is that incidents which formerly would have been regarded as instances of anti-social behaviour are being classified as crimes.

Results from the Safer Communities Survey for the current year were not available at the time of writing this report. A verbal update will be given at the NTSP once the data is available.

10.2 Disorder

Anti Social Behaviour incidents have increased by 3% in the first quarter of 2017/18 and in the twelve months to 30th June 2017 increased by an overall 0.7%.

Deliberate fire incidence and rates remain lower than the Tyne and Wear average.

All youth offending targets are on track based on the first quarter performance.

11.0 What impact will the recommended actions in this report have for North Tyneside?

11.1 Ongoing delivery of the Community Safety Strategy Action Plan will contribute to keeping North Tyneside safe.

12.0 Issue(s) for discussion at the meeting

12.1 There are no specific issues for discussion at this time.

REPORT

Information

To: North Tyneside Strategic Partnership Executive

Date: September 2017

From: Councillor Margaret Hall, Chair of the Health & Wellbeing Board

Title of the Report: Health & Wellbeing Board Update

1.0 Purpose of Report

1.1 To provide the NTSP Executive with an update from the Health & Wellbeing Board.

2.0 Recommendation

2.1 The NTSP Executive is asked to note the work of the Health & Wellbeing Board.

3.0 Information

Aims and Priorities

3.1 The Health & Wellbeing Board (HWB) is a partnership of senior leaders who work together to ensure the borough's assets and resources are fully used to improve health and wellbeing of residents. It has responsibility to prepare a Joint Health and Wellbeing Strategy for the Borough.

3.2 The HWB hosted a planning event on 28 June 2017 involving a wide range of partners to consider the future role and operation of the Board, to determine its priorities, to review the Joint Health and Wellbeing Strategy and to review the Health and Social Care Integration Programme and its governance arrangements. The outcomes from the planning event are currently being analysed and discussed with a view to a proposals being presented to a special meeting of the Board on 19 October 2017.

North East Ambulance Service

3.3 The HWB has received a presentation from the North East Ambulance Service (NEAS) outlining its contribution to the delivery of urgent and

emergency care services in North Tyneside. The HWB paid particular attention to NEAS's performance in responding to non-life threatening calls, the pressures on the service which had occurred over the Christmas period and how partners could work together to minimise handover delays and develop alternative community based care pathways thereby minimising admissions to hospital.

Northumberland, Tyne & Wear and North Durham Sustainability and Transformation Plan

- 3.4 The HWB has continued to monitor the development of the STP and its implications for North Tyneside. The Board heard how thirteen transformation delivery groups have been established to deliver different aspects of the STP including a regional prevention workstream. The workstream aimed to provide leadership to each of the identified prevention priorities including reducing the rate of smoking attributable admissions and smoking prevalence. It was stated that in North Tyneside 16.4% of the population smoked which equated to 26,000 people. This figure multiplied by the number of local authority areas included in the workstream illustrated the scale of the task and the benefits of tackling the issue on a region wide basis.

Alcohol Strategic Partnership

- 3.5 Following the HWB's Alcohol Action Day in September 2015, an Alcohol Strategic Partnership had been formed to tackle alcohol misuse across North Tyneside. The HWB has received a progress report on the development an action plan and the key achievements to date.

Pharmacy Regulations and Pharmaceutical Needs Assessment

- 3.5 The HWB has agreed a process to fulfil its statutory responsibilities in assessing the needs for pharmaceutical services in North Tyneside and publish a Pharmaceutical Needs Assessment by 1 April 2018 and to consider any applications from pharmacies to merge services.

REPORT

Information

To: NTSP Executive
Date: September 2017
Author: Commissioning and Investment
Title of Report: Children, Young People and Learning (CYPL) Partnership update

1. Purpose of Report

1.1 To provide NTSP Executive with an update from the Children, Young People and Learning (CYPL) Partnership. The CYPL Partnership Board last met on the 6 July 2017.

2. Recommendations for the NTSP Executive/Themes

2.1 NTSP Executive is asked to:

- ii. Note the progress of the CYPL Partnership.

3. Information

3.1 The North Tyneside Children's Trust arrangements are led by the CYPL Partnership Board. The partnership is responsible for overseeing the delivery of the Children and Young People's Plan 2014-18. The 3 main themes of the Children and Young People's Plan are Ready for School, Ready for Work and Life and Safe, Supported and Cared For.

3.2 Partnership update

Feedback from the Ofsted Inspection of Children's Services in North Tyneside and review of the effectiveness of the Local Safeguarding Children Board

The overall Ofsted judgement for Children's Services was good with outstanding features. North Tyneside is rated 8th of the 130+ inspected authorities. The findings were:

- Overall effectiveness is good
- Services for Looked After Children (LAC) are good

- Help and protection for children is good
- Adoption and Fostering service is good
- Care Leaver services are outstanding
- Leadership and management is good

The Inspection outcome for the Local Safeguarding Children Board is also good. The inspection highlighted:

- The positive relationship between the partnership and Local Authority
- A culture of openness, transparency and appropriate challenge
- Effective and efficient partnership working
- A clear focus on joint working practice to protect children

Establishing the 0-19 Children's Public Health Service

The Director of Public Health updated on the development of the 0-19 service which includes the Health Visiting and School Nursing services. The 84 staff transferred on 1st April 2017 and have settled well into their locality bases. Joint working with the locality teams is developing. The strength of collaboration with Northumbria NHS Trust has been invaluable in ensuring an effective transfer of the service.

North Tyneside Youth Offending Team Needs Assessment

The Board discussed the North Tyneside Youth Offending Needs Assessment prepared by the Youth Offending Board. A number of priorities from the Needs Assessment would be used when reshaping the next Children and Young People's Plan. The Board will also consider any changes needed to the range of services for these young people.

A HMI thematic inspection of the Youth Offending Team took place for 5 days at the beginning of June 2017 on the theme of 'protection of the public'. The thematic inspection report would be circulated to the Board when it is received.

Troubled Families Programme

The Board received a presentation on the Troubled Families Programme, including:

- Troubled Family work – this is about identifying the families with multiple problems who are at most concern; using data to identify those families; using data to show impact; transforming the way we develop and deliver services
- Locality Team Activity – 29 locality case allocation meetings held; 205 families reviewed; 166 out of 205 families allocated a leader worker
- Working with partners – a range of activity undertaken including: circulation of locality newsletters; headteacher sessions with locality partners; attendance at case allocation meetings
- Key elements of the locality work – the lead worker role working with one family and with one plan
- 2 case studies were circulated at the meeting which provide evidence of impact

Next steps:

- Refresh the Troubled Families outcomes plan
- Recruit an Early Help Manager for the Front Door/ Multi Agency Safeguarding Hub (MASH)
- Develop a performance framework for Early Help
- Hold sessions on the Early Intervention Foundation (EIF) Maturity Model with key partners and then develop an action plan
- Refresh the Early Help strategy to align with the CYPL Plan/Outcomes plan and Maturity Model plan

A Locality Newsletter is circulated on a regular basis which includes an analysis of data and information on the localities. If colleagues would like to receive these newsletters directly please contact Jill.baker2@northtyneside.gov.uk.

Health and Wellbeing Priorities for Children

The Director of Public Health provided an update on the annual planning and review event held 28 June for the Health and Wellbeing Board.

The CYPL Partnership Board considered the key health and wellbeing issues for Children and Young People to be:

- Children and Young People's Mental Health
- Childhood Obesity
- Special Educational Needs and Disability (SEND)

Children and Young People's Mental Health and Emotional Wellbeing

The partnership has dedicated significant time and energy to promoting emotional wellbeing and early intervention as part of the wider mental health system for children and young people.

An emotionally healthy schools resource pack has been developed to implement a whole school approach to mental health and wellbeing. The launch of the pack for headteachers and SEND leads in schools took place 16th May and is available [here](#). This has been commended by Public Health England and will be presented at their national conference later this year

Special Educational Needs and Disability (SEND) Preparing for an Ofsted Inspection of SEND

The Board received a presentation on the preparation for a Local Area SEND Inspection. The inspection will focus on:

- How effective is the partnership to identifying children and young people with SEND
- How effective is the partnership in assessing and meeting their needs
- How effective is the partnership of improving the outcomes of children and young people with SEND

A SEND Strategic Board has been convened with partners and parent representatives. Consultation with partners and stakeholders is on-going to refine our North Tyneside SEND Self Evaluation Form (SEF).

4. Performance

A performance update and analysis was drawn from the latest CYPL performance report as presented at the board meeting on 6 July. This covered performance against the key themes and strategic priorities in the Children and Young People's Plan.

5. What impact will the recommended actions in this report have for North Tyneside?

5.1 Ongoing delivery of the priorities in the Children and Young People's Plan.

6. Issue(s) for discussion at the meeting

6.1 None
