The library staff know about Space Chase and can help
me join. The library staff may need to see my library card

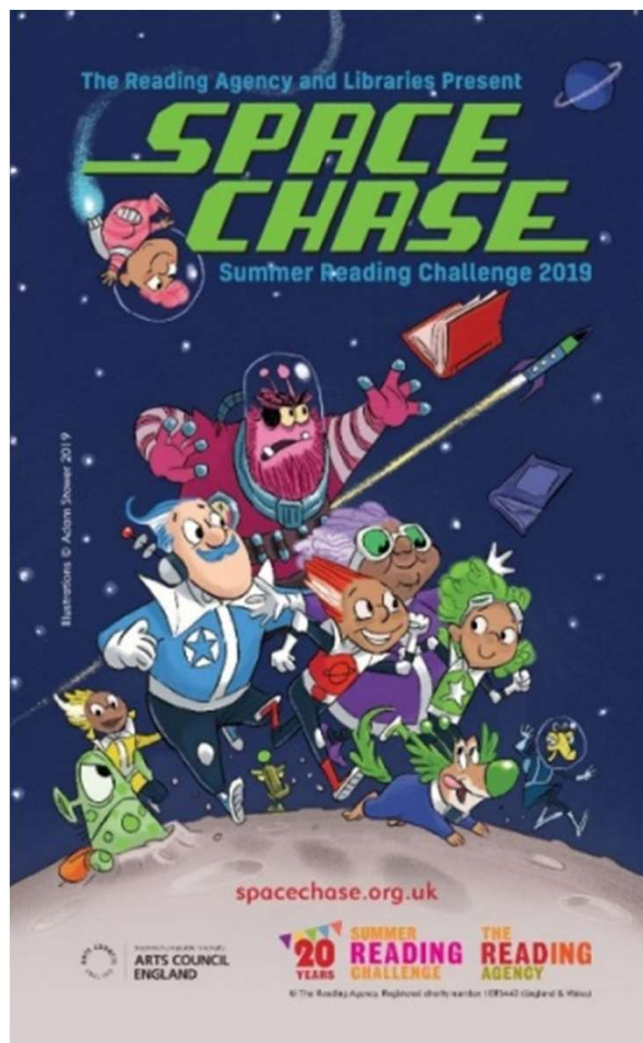

If I don't have a library card they will give me one.
Library Staff will fill in a form for me to join Space Chase.

Social Story 3: What to do for Space Chase

To complete Space Chase children try to read 6 books over the summer holiday. Children may choose the 6 books. The library staff can help children choose their books too .

I don't need to worry about being loud in the library. This is okay

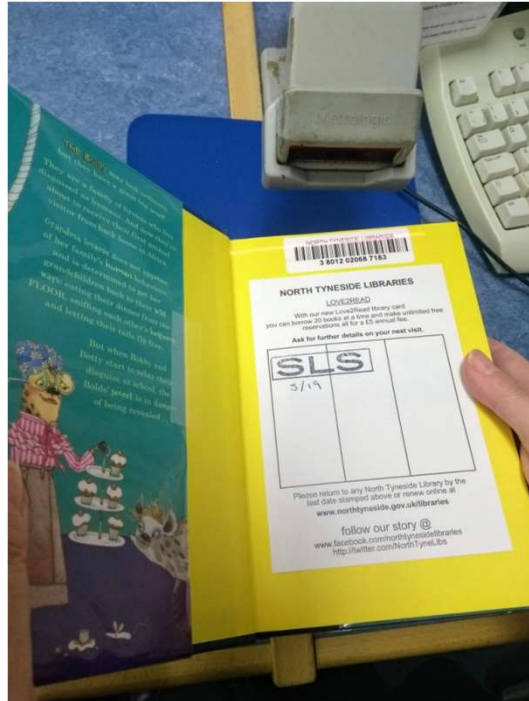

There are many ways to read a book. Some children read a book. Some children look at a book. This is okay. I may read a book by myself. I may read a book with someone else. An adult may read a book to me. I may listen to an audio book. These are all okay ways to read books.

I may choose where to read my books. I may read my books in the library, at home or even in the garden.

I may take my books home to read. This is okay.
To take them home I need to borrow them. The library staff can help me use my library card to borrow my books.

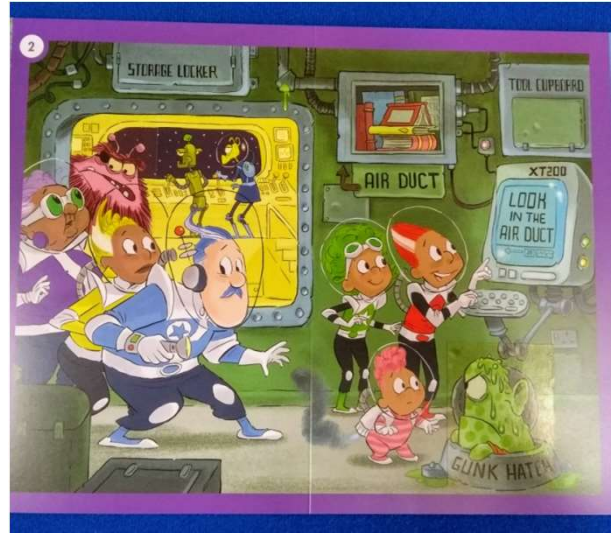

The books belong to the library. When I finish 3 books it is time to plan a trip to the library to return them.
Library staff are interested in books and what children think about books. If I want, I can tell a member of the library staff what I liked or disliked about the books. I will get purple stickers for my folder. I will then choose 3 more books to read.

The stickers are all part of Space Chase.

I have completed Space Chase

The library staff will give me a Space Chase certificate and a medal

My medal and certificate may be given to me at the library
The library staff will tell me when and where.
When Space Chase is finished I may still visit the library to borrow more books.
Many children and young people enjoy the Summer Reading Challenge. I may enjoy this year's Summer Reading Challenge too!
